Campus Infirmary Fee Waiver for Off-Campus Students

What is the Campus Infirmary Fee?

The Campus Health Fee pays for the operation and usage of University Health Services. Our mission is to enhance Boston College students' physical and psychological well-being by providing multifaceted health care services. We are located at 2150 Commonwealth Avenue on the ground floor. More information can be found at www.bc.edu/uhs

Is this fee related to medical insurance?

No. This fee is entirely separate. All students are required to carry medical insurance. Medical insurance waivers are submitted via the Agora Portal (portal.bc.edu) by clicking the "Medical Insurance" link found under "My Services."

Who is eligible to waive the Campus Infirmary Fee?

Only undergraduate students living off-campus. The fee is mandatory for students living on-campus.

Note: Waivers will be automatically canceled if/when a student seeks services at University Health Services, and the student account will be charged the Campus Infirmary Fee when services are rendered.
