

CURRICULUM VITAE
Gilda A. Morelli

POSITIONS ACADEMIC

- 2013- Counseling, Developmental & Educational Psychology
Lynch School of Education, Boston College
- 1989-2013 Department of Psychology
College Arts and Sciences
Associate Professor (1994-present), Boston College
Assistant Professor (1989-1994), Boston College
- 2010- Graduate School Social Work
Associate Professor, Joint Appointment

POSITIONS ADMINISTRATIVE

- 2008-2011 Vice Provost, Graduate Education
Boston College
- 2004-2008 Executive Director, Teachers for a New Era
- 2002-2004 Associate Dean of Students
College of Arts and Sciences, Boston College
- 1999-2002 Director of Undergraduate Program
Department of Psychology, Boston College
- 1998-1996 Assistant Chair
Department of Psychology, Boston College
- 1989-2006 Co-director of the Ituri Forest People's Fund
501(c)(3), Cultural Survival

PRESENT ADDRESS

- Office: Boston College
Department of Psychology
McGuinn Hall
Chestnut Hill, MA 02467
617-552-4094
- Home: 18 Clark Lane
Waltham, MA 02451
781-894-9605

EDUCATION

- 1988 -1989 Postdoctoral Research Position
Efe parent-child strategies: Multiple care and attachment. NICHD funded position.
- 1986-1988 Postdoctoral Training
NIMH Training Program. University of Utah.
- 1987 Ph.D. (University of Massachusetts, Amherst, MA.)
Major Field: Developmental Psychology
Minor Field: Behavioral Pediatrics, Cross-cultural Psychology
- 1981 M.A. (University of Massachusetts, Amherst, MA.)
Major Field: Psychobiology (Animal Behavior)
Minor Field: Developmental Psychology
- 1976 B.A. (University of Massachusetts, Boston, MA.)
Major Field: Comparative Psychology
Minor Field: Biobehavioral Studies

CITIZENSHIP

United States

FELLOWSHIPS AND HONORS

- 1997 Assistant Secretary's Excellence Award
National Child Care Study Work Group
Administration for Children and Families
Department of Health and Human Services
- 1996-1997 Executive Branch Policy Fellowship in Child Development
Sponsored by the Society for Research in Child Development
- 1991-1994 Research Associate in Medicine
General Pediatrics and Child Development Division
The Children's Hospital. Boston, MA. 02115
- 1987-1989 National Center for Clinical Infant Programs Fellowship
- 1986-1988 National Institute of Mental Health Postdoctoral Traineeship
- 1980-1981 National Institute of Mental Health Experimental Predoctoral Traineeship

LEADERSHIP TRAINING PROGRAMS

2007-2008 HERS Institute for Women in Higher Education Administration
Wellesley Institute

EDITORIAL BOARD

2013- Wheelock International Journal of Children, Families, and Social Change

RESEARCH GRANTS AND AWARDS

EXTERNAL

- 2004-2010 JOHN D. AND CATHERINE T. MACARTHUR FOUNDATION. Do parks hurt local people? – assessing the human welfare effects of establishing protected areas for biodiversity conservation with Dr Wilkie. \$250,000.
- 2005-2008 NATIONAL SCIENCE FOUNDATION. Do experiments predict behavior? Evaluating the influence of patience on human behavior in Gabon and Bolivia. With Drs Wilkie, Godoy, and Karlan. \$174,999.
- 2005-2008 NSF Innovative Program Development Reserve. \$75,000.
- 2003-2008 CARNEGIE CORPORATION OF NEW YORK: Teachers for a New Era. Co-authored proposal with faculty from the Lynch School of Education and the College of Arts and Sciences, \$5 million with a \$5 million match from Boston College.
- 2003-2005 Department of Health and Human Services, Administration on Children and Families. Welfare reform and children's care experiences, \$24,950.
- 1998-2000 Department of Health and Human Services, Administration on Children and Families. Welfare reform and children's care experiences \$25,900.
- 1997-1998 National Institute of Mental Health. Welfare reform and children's care experiences, \$39,500.
- 1997-2000 USAID/WWF. GIS modeling of the causes and consequences of deforestation in the dense forest regions of the Central African Republic. Co-principle investigators Dr. David Wilkie and Florent Zowoya, PARN. Boston College. \$65,000
- 1996-1997 EXECUTIVE BRANCH POLICY FELLOWSHIP IN CHILD DEVELOPMENT. Sponsored by the Society for Research in Child Development, and supported by Administration on Children, Youth, and Families. \$35,000.

- 1995-2001 NATIONAL SCIENCE FOUNDATION. Causes and Consequences of a Change in Subsistence Amongst Efe (pygmies) in Northeastern Zaire. Co-principle Investigator Dr. D. Wilkie. \$167,537
- 1995 L.S.B. LEAKEY FOUNDATION: Fellowship for the Study of Foraging Peoples. Causes and Consequences of a Change in Subsistence Amongst Efe (pygmies) in Northeastern Zaire. Co-principle Investigator Dr. D. Wilkie. \$16,000
- 1995 THE INTERNATIONAL FOUNDATION: Support of the Andisengi primary school and primary health care clinic in the northeastern Ituri forest, Zaire. \$23,000.
- 1990-1993 THE SPENCER FOUNDATION. Principal Investigator. Young children's engagement in cultural activity: A comparison of communities varying in technological complexity and formal schooling. \$50,290
- 1987-1989 NATIONAL CENTER FOR CLINICAL INFANT STUDIES PROGRAM. Fellowship award, \$1,000
- 1987-1992 NATIONAL INSTITUTE OF CHILD HEALTH AND DEVELOPMENT. Efe parent-child strategies: Multiple care and attachment. Co-principal investigator with Dr. E.Z. Tronick. \$250,000
- 1989-1992 THE SPENCER FOUNDATION. Efe parent-child strategies: Multiple care and attachment. Co-principal investigator with Dr. E.Z. Tronick. \$75,000.
- 1986-1987 NATIONAL SCIENCE FOUNDATION. Efe parent-child strategies: Multiple care and attachment. Co-principal investigator with Dr. E.Z. Tronick. \$75,000
- INTERNAL
- 2001-2002 RESEARCH EXPENSE GRANT. Boston College. The child care and work decisions of low wage earning families in Massachusetts. \$1,050.
- 2000-2002 RESEARCH INCENTIVE GRANT. Boston College. The child care and work decisions of low wage earning families in Massachusetts. \$15,000.
- 2000-2002 TEACHING, ADVISING, AND MENTORING GRANT. Boston College. Evaluating two approaches to advising Boston College Psychology students. (Co-principle investigator Prof. Feldman Barrett). \$5,000.
- 2000-2002 UNDERGRADUATE RESEARCH ASSISTANT PROGRAM. Boston College. Working but still poor: Working poor families and their children.

- 1996 FACULTY RESEARCH EXPENSE GRANT. Foragers become farmers: time allocation changes in response to changes in subsistence practices amongst the Efe of northeastern Zaire. Boston College. \$1,500
- 1995 UNDERGRADUATE FACULTY RESEARCH FELLOWS PROGRAM. BOSTON COLLEGE. Ties that bind. Immigrant Chinese and European American views on family relationships. \$937.50
- 1994 FACULTY RESEARCH EXPENSE GRANT. Community variation in the strategies mothers and young children's to achieve and maintain maternal attention in cultural activity. Boston College. \$1,000
- 1993 FACULTY RESEARCH EXPENSE GRANT. Boston College. \$640
- 1990 FACULTY FELLOWSHIP. Boston College. Young children's engagement in cultural activity: A comparison of communities varying in technological complexity and formal schooling.
- 1990 FACULTY RESEARCH EXPENSE GRANT. Boston College. \$850
- 1989 FACULTY RESEARCH EXPENSE GRANT. Boston College. \$600

CONSULTING

- 2001- Evaluation of Child Care Subsidy Strategies (Department of Health and Human Services, Administration of Children and Families)
- 1997- National Study of Child Care for Low Income Families (Department of Health and Human Services, Administration of Children and Families).
- 1995- Labor Force Attachment and Child Care. (Department of Health and Human Services, Administration of Children and Families).
- 1995-2001 Study of Infant Care Under Welfare Reform. (Department of Health and Human Services, Administration of Children and Families).

EDITORIAL WORK, GRANT AND CONTRACT REVIEWS

Gray, P. (1994). Psychology, 2nd edition. NY: Worth Publishers. (Sections on the developing person.)

Section Guest Editor, with Dr. Barbara Rogoff, on "Culture and Identity" in special issue of American Psychologist on Children and their development: Knowledge base, research agenda, and social policy application, 44(2), 1989.

Reviewer for Journal and Conference Papers Submitted to:

Child Development
Developmental Psychology
Merrill-Palmer Quarterly
International Conference on Infant Studies
American Psychological Association Meetings
Society of Research on Child Development
Journal of Applied Developmental Psychology
Journal of Family Psychology
Journal of Cross Cultural Psychology
Psychology of Women Quarterly
Journal Infant Mental Health
Infancy
Journal Child Psychology and Psychiatry

Reviewer for Research Grants and Contracts Submitted to:

National Science Foundation
National Institute of Child Health and Development
The L.S.B. Leakey Foundation
Administration of Children, Youth and Families
Administration on Youths and Families
Swiss National Science Foundation
Austrian Science Fund

ORGANIZED CONFERENCES AND SYMPOSIA

Symposium on "Ties that Bind: Cultural Perspectives on Family Continuity" as part of the 1995 Society for Research on Child Development. Co-organizer with Fred Rothbaum and Martha Pott.

Invited symposium on "Childhood in Life History Perspective: Developing Views" as part of the 1994 Society for Cross Cultural Research. Gilda Morelli, organizer and co-chair with Paula K. Ivey.

Symposium on "Cultural Construction of Gender", as part of the 1990 American Psychological Association. Gilda Morelli, organizer and co-chair with Carolyn P. Edwards.

COURSES OFFERED

Children, Families, and Social Policy; Undergraduate and Graduate Level
Child Development from a Cultural Perspective; Undergraduate and Graduate Level
Research Methods in Developmental Psychology; Undergraduate Level.
Developmental Psychology; Undergraduate Level
Introduction to Psychology as a Social Science; Undergraduate Level

FIELD EXPERIENCE (outside of the U.S.)

Gabon

Do local parks hurt people? Co-principle investigator, supported by the John D. and Catherine T. MacArthur Foundation

Evaluating the influence of patience. Co-principle investigator. Supported by the National Science Foundation.

Democratic Republic of Congo (formerly Zaire)

Causes and Consequences of a Change in Subsistence Amongst Efe (pygmies) in Northeastern Zaire. Co-principle investigator; supported by The Leakey Foundation and NSF.

Cultural variation in young children's opportunities for involvement in adult activities. Principal investigator; supported by The Spencer Foundation

Efe parent-child strategies: Multiple care and attachment. Co-principal Investigator and project director; supported by NSF, NICHD, and The Spencer Foundation.

People of the Ituri Forest; supported by NSF.

LANGUAGE SKILLS

Fluent in Swahili.
