**Pre-approved study abroad courses for
Hispanic Studies majors and minors**

Majors and minors in Hispanic Studies are responsible for knowing and following the [RLL departmental policy on credit transfer from study abroad.](#)

HS students considering study abroad should consult with the RLL Dept. before selecting their program and before their departure from campus.

Only students who have successfully completed Span3395 (Contextos) can receive credit for 6000 courses.

Because a course does not count for the major/minor does not mean you should not take it.
